

1. Choose Background

New Background

OK

2. Choose Characters

New Character

OK

New Character

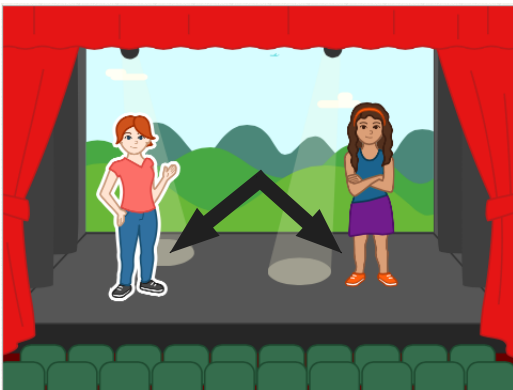

OK

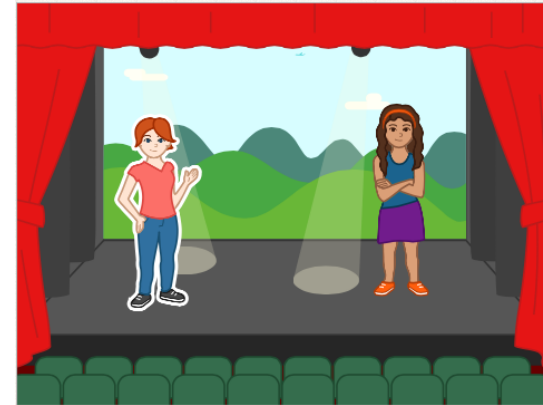

Delete the cat (press and hold)

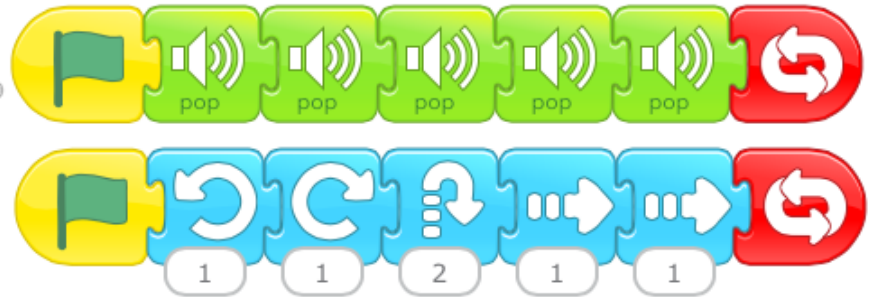

3. Move Characters to Start Places

Position the characters by dragging them from the center of the screen.

4. Make Programs

- Can you make other things happen when one character touches another? Try the disappear block!
- How can you use the speed block to change how the characters move?
